QUALITY HEALTHCARE IN YOUR NEIGHBORHOOD

All the services you need under one roof

509.444.8200 · chas.org

Primary Care Our care team can help you and your family with all of your medical needs.

Pediatrics Our pediatricians offer services for children through age 18, including acute care, well child exams, immunizations, sports physicals, and much more.

Women's Health & Pregnancy Care Our providers care for a comprehensive range of women's health services including annual gynecological exams, pap smears, family planning, birth control, and menopause management. Our midwives and providers also offer complete pregnancy care.

Specialty We are trained to help you with specialty care, such as HIV/AIDS, hepatitis C, diabetes, bone and joint conditions, and more

Urgent Care Spokane Urgent Care is available for medical conditions that need immediate care, but do not require an emergency room visit. There are two convenient locations open 7 days a week with a pharmacy on site and x-ray. No appointment is needed.

Dental Our dentists and hygienists offer exams, cleanings, x-rays, root canals, crowns, fillings, and more.

Pharmacy Our pharmacists work side by side with our providers and have specialized knowledge in HIV/AIDS, addiction treatment, diabetes, and pain management. The collaborative approach provides coordinated care for our patients.

Behavioral Health We offer psychiatry,

medication management, and counseling for adults, and treatment for substance abuse, as well as specialized therapies for children and adolescents.

Nutrition Our Dietitians offer nutrition

Nutrition Our Dietitians offer nutrition counseling that includes individualized nutrition evaluations and interventions, to help patients make positive lifestyle changes and improve their overall health and well-being.
